Addendum No. 2

Project: Curbside Collection of Household Waste, Recycling and Yard Waste

Tender Reference: RFO 2026-302

Date: November 13, 2026

The following change to the Bid Documents is effective immediately and will form part of the Bid Documents.

This addendum is issued to amend the bid documents for the above-referenced project.

1. Adjustment to Section 9.1 Fuel Surcharge

The fuel surcharge will be calculated, monthly, using Kalibrate fuel pricing data.
The fuel surcharge will be based on the attached table for the length of the contract.

All other terms, conditions, requirements, and deadlines outlined in the original tender documents remain unchanged and in full effect.

Bidders are required to acknowledge receipt of this addendum in accordance with the instructions provided in the bid documents.
